

## Consumer Product Safety Commission

## § 1130.9

(c) *Content of registration page.* The Web site registration page shall request only the consumer's name, address, telephone number, e-mail address, product model name and number, and the date of manufacture. The consumer's telephone number and e-mail address shall not be required for the consumer to submit the registration form. No other information shall appear on the electronic registration form, except for identification of the manufacturer or a link to the manufacturer's home page, a field to confirm submission, and a prompt to indicate any incomplete or invalid fields before submission. Accessing the electronic registration form shall not cause additional screens or electronic banners to appear.

(d) *Alternative for manufacturers without a Web site.* A manufacturer that lacks a Web site shall provide for consumers to register their product through e-mail. Such e-mail addresses

shall be set up to provide an automatic reply to confirm receipt of the consumer's registration information.

### **§ 1130.9 Recordkeeping and notification requirements.**

(a) Each manufacturer of a durable infant or toddler product shall maintain a record of registrants for each product manufactured that includes all of the information provided by each consumer registered.

(b) Each manufacturer of a durable infant or toddler product shall use the information provided by the registrant to notify the registrant in the event of a voluntary or involuntary recall of, or safety alert regarding, such product.

(c) Each manufacturer of a durable infant or toddler product shall maintain a record of the information provided by the registrant for a period of not less than 6 years after the date of manufacture of the product.

**PRODUCT REGISTRATION FOR  
SAFETY ALERT OR RECALL ONLY**

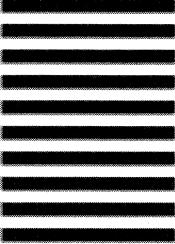

**We will use the information provided on this card to contact you only if there is a safety alert or recall for this product. We will not sell, rent, or share your personal information. To register your product, please complete and mail this card or visit our on-line registration at [www.website.com](http://www.website.com).**

**PART 1145—REGULATION OF PRODUCTS SUBJECT TO OTHER ACTS UNDER THE CONSUMER PRODUCT SAFETY ACT**

Sec.

1145.1 Scope.

1145.2 Paint (and other similar surface-coating materials) containing lead; toys, children's articles, and articles of furniture bearing such paint (or similar surface-coating materials); risk of lead poisoning.

1145.3 Extremely flammable contact adhesives; risk of burns from explosive vapor ignition and flashback fire.

1145.4 Consumer patching compounds containing respirable free-form asbestos; risk of cancer associated with inhalation of asbestos fibers.

1145.5 Emberizing materials (embers and ash) containing respirable free-form asbestos; risk of cancer associated with inhalation of asbestos fibers.

1145.9–1145.15 [Reserved]

1145.16 Lighters that are intended for igniting smoking materials and that can be operated by children; risks of death or injury.

1145.17 Multi-purpose lighters that can be operated by children; risks of death or injury.

AUTHORITY: 15 U.S.C. 2079(d).

**§ 1145.1 Scope.**

In this part 1145, the Commission establishes rules which provide that risks of injury associated with consumer products that could be eliminated or reduced to a sufficient extent by action under the Federal Hazardous Substances Act (FHSA) (15 U.S.C. 1261–1274), the Poison Prevention Packaging Act of 1970 (PPPA) (15 U.S.C. 1471–1476), or the Flammable Fabrics Act (FFA) (15 U.S.C. 1191–1204) will be regulated under the Consumer Product Safety Act (CPSA) (15 U.S.C. 2051–2081). Section 30(d) of the CPSA, as amended, provides that a risk of injury which is associated with a consumer product and which could be eliminated or reduced to a sufficient extent by action under the FHSA, PPPA, or the FFA may be regulated under this act only if the Commission by rule finds it is in the public interest to regulate such risk of injury under this act.

[42 FR 44192, Sept. 1, 1977]

**§ 1145.2 Paint (and other similar surface-coating materials) containing lead; toys, children's articles, and articles of furniture bearing such paint (or similar surface-coating materials); risk of lead poisoning.**

(a) The Commission finds that it is in the public interest to reduce the risk of lead poisoning to young children from the ingestion of paint and other similar surface-coating materials by action under the Consumer Product Safety Act rather than under the Federal Hazardous Substances Act because of the desirability of consolidating the public procedures related to such regulation with the proceeding to determine a safe level of lead under the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4801–4846), as amended by the National Consumer Health Information and Health Promotion Act of 1976 (Pub. L. 94–317; 90 Stat. 705–706). Consolidation of these proceedings facilitates greater public participation and a more expeditious resolution of the issues.

(b) Paint and other similar surface-coating materials containing lead and toys, children's articles, and articles of furniture bearing such paint or other similar surface-coating materials that present a risk of lead poisoning to young children by ingestion shall therefore be regulated under the Consumer Product Safety Act. Such regulation shall include all directly related pending and future rulemaking, as well as all directly related pending and future action on petitions.

[42 FR 44192, Sept. 1, 1977]

**§ 1145.3 Extremely flammable contact adhesives; risk of burns from explosive vapor ignition and flashback fire.**

(a) The Commission finds that it is in the public interest to regulate the risk of burns from explosive vapor ignition and flashback fire associated with certain extremely flammable contact adhesives under the Consumer Product Safety Act rather than under the Federal Hazardous Substances Act because of the desirability of avoiding possibly lengthy, resource consuming, and inefficient rulemaking proceedings under the Federal Hazardous Substances Act and because of the availability of civil
